

MDF

Medium Density Fiberboard

DELIVERING VALUE AND DURABILITY IN A VARIETY OF COMMERCIAL AND RESIDENTIAL APPLICATIONS

Roseburg offers the most diverse and technically-advanced line of medium density fiberboard (MDF) products in North America. Whether moisture-resistant, flame-retardant or no-added formaldehyde (NAF), Roseburg has an MDF panel to suit every setting. Made from recycled content, all of Roseburg's MDF products are designed to meet both conventional and green building needs.

MAKING LIVES BETTER FROM THE GROUND UP.

- Machining applications
- Mouldings
- Shelving
- Speaker boxes
- Surface for veneers
- Wall paneling

CUSTOMER SUPPORT

Providing superior customer service is a priority at Roseburg – something new customers quickly discover and long-time ones greatly appreciate.

ABOUT ROSEBURG

Since 1936, Roseburg has been a major manufacturer and supplier of high-quality wood products. From humble beginnings in Oregon, we've grown through smart management of natural resources, state-of-the-art manufacturing facilities, talented and experienced team members and a reputation for reliably supplying quality wood products to a wide variety of clients.

Unique in today's wood products industry with a vertically integrated structure driven by over 600,000 acres of our own sustainably managed forestlands in Oregon, Virginia and North Carolina, Roseburg products are shipped and used throughout North America and the Pacific Rim.
